HINKLEY LIGHTING LAUNCHES HERITAGE COLLECTION IN HONOR OF ITS 90TH ANNIVERSARY

June 18, 2012 – Cleveland, Ohio Hinkley Lighting’s archives provided the company with a wealth of inspiration for its new “Heritage” outdoor lantern collection and the opportunity to reflect on its products, its foundation as a company and what the Hinkley brand and “Life Aglow” tag line stand for.

The Heritage collection represents a unique grouping of premium outdoor fixtures that pay tribute to the nostalgia of America’s past while reinforcing the Hinkley philosophy of timeless, classic lighting design. Three families comprise the collection: York, Bingham and Sedgwick, and each family offers 5 SKUs featuring wall lantern, hanging lantern and post mount styles.

York: York uses authentic exposed rivet construction hand-made in solid aluminum and celebrates the bold traditional lantern design Hinkley is renowned for. This classic hip roof and wire cage turn of the century style comes with a functional interior metallic reflector and rolled top loop. The gallant proportions of its striking silhouette are reinforced with a vintage Black finish, cast face plate and clear seedy glass.

Bingham: Bingham’s traditional style recalls a turn-of-the-century gas light reproduction. The vintage look is nautical in nature and recognizes Hinkley’s origins on the shores of Lake Erie. The all brass construction features clear seedy glass and a Sienna finish, while candelabra lamping completes the authentic style.

Sedgwick: Sedgwick’s all brass construction symbolizes the best of vintage Hinkley quality and style. This traditional tapered rectangular lantern features a charming hinged door with sliding latch for authentic appeal. The classic Sienna finish combines beautifully with generous panels of clear seedy glass and embodies the essence of historic New England architecture and sophistication.

Located in Cleveland, Ohio, Hinkley Lighting has been a leading manufacturer and distributor of high-quality lighting fixtures for 90 years. In addition to the classic Hinkley Lighting line, the company also manufactures Hinkley Landscape Lighting and the luxury lighting line Fredrick Ramond.
