

FOR IMMEDIATE RELEASE

## **HINKLEY LIGHTING EARNS THREE AWARDS AT LIGHTOVATION**

Cleveland, Ohio (July 13, 2016) – Hinkley Lighting earned two Market Choice Awards for “Best Bath Design” and “Best Landscape Design” for its Verve and Nuvi Collections, as well as “Best Visual Presentation” at the June 2016 Lightovation event in Dallas, Texas.

The Market Choice Awards are sponsored by Dallas Market Center, Residential Lighting and enLIGHTenment magazines. They are designed to recognize new products in the bath, chandelier/pendant, outdoor, landscape, ceiling fan and portable lamp categories. Voting took place via Lightovation app and interactive kiosks located at Dallas Market Center where the biannual Lightovation event is hosted. Winners were determined by the highest amount of votes in each category.

The Verve Collection for bath lighting features a contemporary silhouette with individually curved cast fitters for an undulating effect. The Nuvi Collection for landscape lighting offers horizontal illumination backed by composite optic technology. Both collections reflect Hinkley Lighting’s commitment to inventive design.

“When engineering new products, style and quality are at the forefront of our fixtures,” says Rick Wiedemer, CEO of Hinkley Lighting. “To be recognized by our customers at Lightovation helps build momentum and enthusiasm for the remainder of this year, as well as next.”

Hinkley was also awarded “Best Visual Presentation” by the visual merchandising team at Dallas Market Center for its innovative and creative window display at the show. Hinkley Lighting was honored to receive the award as it further highlights the company’s dedication to design.

The company will return to Dallas Market Center January 18-22, 2017 for the next Lightovation event.
